

There is only one problem in the world:
People don't recognize reality and once
confronted with it, they can't deal with it.*

One aspect of reality is the Truth: All hu-
mans are equal, all with the same rights -
there is no place for bigotry, abuse or war.

To grasp this principle and to live by it
is the noblest goal in life; the content of this
book is all but commentary on the above.
